The number of employees represent the **total number of** for the named workplace in that city.

If you have multiple locations in any city, you can set up those divisions in your [Workplace Admin](#) account.

Workplace Registration - Step 3

If you have multiple locations in any city, you can set up those divisions in your [Workplace Admin](#) account.

There is no option for **Multiple Workplace Coordinators**. If you wish to have a coordinator for each of your branches, please create an account for each branch with a unique e-mail address.

The screenshot shows the 'Workplace Sign Up' page for the Commuter Challenge. At the top is the logo and a navigation menu with links for HOME, ABOUT, GET INVOLVED, RESOURCES, RESULTS, and CONTACT US. The main heading is 'Workplace Sign Up' with a building icon. Below the heading are four steps: 1. LOCATION, 2. WORKPLACE DETAILS, 3. LOGIN INFO (which is the current step), and a link for 'Having problems? Contact Us'. The form fields are: EMAIL (with 'rita@riorita.com' entered), CONFIRM EMAIL (with 'rita@riorita.com' entered), PASSWORD (with six dots), and CONFIRM PASSWORD (with six dots). At the bottom are two buttons: 'PREVIOUS' and 'CONTINUE'.

You can set up multiple branches or departments as different locations to compare them. The public results on the Commuter Challenge website will show the aggregated results for your whole organization.

Workplace Admin - Bulk Entry

If the majority of your employees does not work with computers it might make more sense to collect their commute data manually and enter it "in bulk".

If you manage multiple branches in your account they will show in separate blocks. Please enter your bulk data per branch.

You may enter your bulk data every day. Please note: **Previous entries are overwritten.** Make sure to enter *accumulated* data that includes previous dates.
